## Winter Weekend at Camp Santanoni

Sat, Mar 16th

Three Winter Weekend events will be held for the sixth consecutive year at Camp Santanoni in the Adirondacks. The events will take place during the Martin Luther King Jr. holiday weekend, January 19-21; Presidents Day holiday weekend, February 16-18; and the weekend of March 16-17. Cross-country skiers and snowshoers will have access to the historic camp properties located in the town of Newcomb in Essex County to rest, tour the buildings, and view interpretative displays. A 9.8-mile round trip cross-country ski or snowshoe excursion traverses from Camp Santanoni's Gate Lodge complex to the remote lakeside main lodge complex. The trip provides a moderate physical activity and a great opportunity to enjoy the outdoors. During the three Winter Weekend events, cross-country skiers and snowshoers will be able to visit both the Gate Lodge and Main Lodge of Camp Santanoni, view displays about the great camp, and take interpretive tours with AARCH staff. While people may visit Camp Santanoni 365 days a year, the buildings are not typically open to the public during the winter months. The wood stove heated Artist's Studio, a log and stone building near the main lodge on the shores of Newcomb Lake, will be open as a warming hut. Visitors are encouraged to bring their own cup to enjoy free coffee, tea, or hot chocolate. The Adirondack Interpretive Center will provide snowshoes at the Gate Lodge for any visitors without their own. Staff from ESF's AIC will be hosting a Wildlife Animal Tracking program at the Farm Complex from 1 pm to 2 pm on Saturday, January 19. This is a fun learning experience for families and children of every age. In addition to the popular trip from the Gate Lodge to the Main Lodge, cross-country skiers and snowshoers are encouraged to take the half mile-trail that connects Camp Santanoni to the nearby AIC's 3.6-mile trail system. The center's buildings will be open 10 a.m. to 4 p.m. during the Winter Weekend events.
